

A light brown, textured shoe insole is shown from a top-down perspective. The insole has a pebbled, leather-like texture and a distinct heel patch. In the center of the insole, there is a small, rectangular blue logo with a white outline, containing a stylized white 'C' and 'P' intertwined. A horizontal blue bar is positioned across the upper part of the insole, containing the brand name 'CAPPELLETTI' in white, uppercase letters.
